

Employer Benefits of Managing Obesity as a Disease

**November 16, 2021
Webinar**

11:00 – 12:30 CDT

HBCH ORGANIZATION MEMBERS

www.houstonbch.org

What is your orgs position on obesity

- Level 1: Obesity is just a lifestyle choice
- Level 2: Obesity is a disease but not my problem
- Level 3: Obesity is a disease, and we want to do something but not sure how- or where to start
- Level 4: Obesity is a disease, and we already allocate resources such as wellness and surgery
- Level 5: Obesity is a disease, and we offer comprehensive solutions-wellness, surgery & including medical treatment with branded anti-obesity medication

Strategic Partners
