

High-Performance Healthcare Technology Powering Bundle Payment Programs

Cedar Gate's prospective bundles solution combines prepackaged episode of care definitions and proven services in a technology platform built for value-based care and payment. It empowers you to select and operate bundled payment arrangements that incentivize value and embrace the ever-growing shift away from traditional fee-for-service reimbursement toward innovative alternative payment models.

Cedar Gate enables payers, providers, employers, and service administrators to excel at value-based care with a unified technology and services platform delivering analytics, population health, and payment technology on a single data management foundation.
